Description

Levington Peat Free Ericaceous Compost 50L

Perfect for beds and borders, containers and pots, Ericaceous compost is specially formulated for growing acid-loving or lime-hating plants.

This product contains a high iron formula for greener, healthier leaves and a unique balance of nutrients for stronger, healthier plants.

Ideal for potting, taking cuttings, outdoor planting, tubs, troughs, window boxes and acidic beds.

Features Water Save technology, enabling compost to soak and absorb higher levels of water without getting waterlogged.

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
