Description

Bollé Tracker Safety Goggles

Ultra-comfortable and technical, the Tracker goggles provide all round protection from both mechanical and chemical risks, making them unique in the safety glasses range.

Resistant to medium energy impact (120m/s), the goggles are extremely comfortable to wear and feature a removable adjustable strap & foam reinforcement for secure fitting.

Lenses incorporate PLATINUM® technology; a permanent coating applied on both surfaces for high scratch resistance plus resistant to fogging and most aggressive chemicals.

Certified: Frames (EN166 FT) & Lens (1 BT KN).

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
