Description

Levington Landscaper Bark 100L

Use Levington Landscape Bark to create natural paths around the garden and to add a smart finish to beds and borders.

Also reduces the need to water and weed throughout the year.

Easy to lay on any surface and requires very little maintenance.

An attractive natural alternative to gravel for garden paths, it provides a stable surface and safe footing, even during rain.

Coverage: 1m × 2m at 2.5cm deep ground coverage. 1m × 1m at 5cm deep ground coverage.

We have a great range of products to help you create your perfect garden so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
