## Description

### Ascalon Lattice Hanging Lantern with Solar Bulb

Turning natural sunlight into bright led light, bring some illumination to your garden with this beautiful solar lantern.

Covered with ornamental stencilling which becomes illuminated with light when the lantern is turned on, an inexpensive way to enjoy your garden well after dark.

Perfect for trees & tables to add magical ambience without the need for mains power.

Dimensions: 19\*16\*16 (cm).

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
