

Barnett Centreshot Recurve MO Bow Kit

22-05654

Our Price: £36.99

Description

Barnett Centreshot Recurve MO Bow Kit

Share the shooting sports with a youth recurve bow from Barnett!

A great fit for any young archer, the Centershot™ Recurve features a true ambidextrous shoot-through riser.

This feature keeps the arrow centered on the riser so arrows won't fall off. It's a truly no fuss youth archery set that's safe and easy to use; just the way a first bow should be.

The Centershot Recurve comes with soft-touch finger rollers, adjustable sight pin and arrow rest already installed, plus two arrows and a quiver to get them on their way.

It's incredibly lightweight so young archers can handle it easily and feel just like one of the big kids!

Recommended Age Range: 5+. Draw weight: 15-28lbs. Draw length: 15-22".

Includes Two 28" Arrows & Hip Quiver.
