

ICL Shaker Pro Hand Held Spreader

31-40096

Our Price: £16.99

Description

ICL Shaker Pro Hand Held Spreader

The ideal tool for efficiently applying fertilisers, granular wetting agents and seeds to small areas, making it particularly valuable for divot repairing.

Using the ShakerPro is a breeze. Just pour in the product, twist to lock, spread evenly, and then securely store it after use.

This user-friendly device simplifies the process of distributing various granular substances with remarkable efficiency.

We have a great range of products to help you create your perfect garden so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
