Description

Enders Aurora Portable Charcoal BBQ Grey

ALL GRILL, LOW SMOKE, the AURORA has lots of things to offer.

While other charcoal table barbecues churn out smoke like steam locomotives, this BBQ sizzles away cleanly and unobtrusively.

The battery-powered and extremely quiet E-FAN BBQ fan technology means it can be operated without emissions. This not only ignites the easy-to-fill charcoal compartment below the enamelled preparation surface, but also your passion for grilling – the good, old-fashioned way.

Dimensions: 47 x 26 x H13.5 cm.

Barbecue surface: 37 x 25 (925 cm²).

Requires 4 x AA Batteries, Charcoal & BBQ Lighting Gel.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
