## Description

### Harkila Pro Hunter Ledge 2.0 GTX Leather Boots Chocolate Brown

Despite being made from exceptionally durable, high-quality leather, weighing in at a mere 690g per boots, the Pro Hunter Ledge boots are surprisingly lightweight. Constructed on a medium length last, the boots have a field-tested, waterproof GORE-TEX membrane which is stronger and more hardwearing than membranes of the past. Extremely comfortable for long distance walking, even on very rugged ground, the midsoles are shock absorbing whilst the medium-stiff Vibram soles ensure good grip. Finished with full-length rands made from an extra robust material plus steel eyes for attaching gaiters and prevent wear to the laces.

Shoe Sizes: 40 - 45.

### Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
