Muck Boot Men's Arctic Ice AG All Terrain Tall Boots Black - Size 6

Winter may be unpredictable, but your footwear shouldn't be, which is why Muck Boot have developed the 'Arctic Ice'; an All Terrain Boot.

The outsole features Vibram Arctic Grip™; the new ground-breaking sole technology specifically engineered to perform on both wet and dry surfaces.

Vibram® XS TREK provides the optimal balance of traction with durability that is responsive on unpredictable terrain meaning you can put your best foot forward whatever the going.

These winter high-performance sport boots step up the warmth factor with an 8mm neoprene inner layer for ultimate warmth in extreme conditions.

Other notable features include bioDEWIX™ Dry antimicrobial footbed insert topcover & NZYM™ for odour control & moisture management.

Enabling you to tackle the iciest paths with confidence, this seasons must have for sure.

UK Shoe Size: 6
