Our Price: £13

Apollo Gardening Weed Control Fabric 30m x 1m

31-59501

Description

Apollo Weed Control Fabric 30m x 1m

Allowing water & essential nutrients to pass through to your plants, this light duty, landscape membrane is the ideal solution for supressing weeds.

Perfect for general gardening; in areas of low foot-fall such as beds, borders and under chipped bark.

20m x 1m Weed Control covers approximately 50gms/m².

30m for the price of 20m (whilst stocks last).

We have a great range of products to help you create your perfect garden, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
