Description

EverGreen Fast Green Liquid Concentrate 1Ltr

Ensures thicker, greener grass with stronger roots, ready to absorb water and nutrients better than ever before.

Specially formulated with phosphate which makes sure you get strong roots, and potash which makes your grass more resistant to disease.

Perfect for smaller urban gardens, larger gardens with small lawns, front lawns and for those households that don't own a hosepipe.

Easy to apply using a watering can with fine rose sprinkler.

Use March through to September. Repeat after 6 weeks.

Also great for those who prefers to feed their lawns with a liquid feed that delivers quick, easy and visible results.
