Description

Vitax 1Ltr Green Up Feed & Weed

Vitax 1 Ltr Green Up brings you the combined action of the fertiliser and a weedkiller giving you the best of all worlds in one convenient treatment .

The weedkiller kills-off most common lawn weeds clover, buttercups and plantains. The high nitrogen fertiliser promotes rapid green-up of the lawn and encourages grass growth to cover any bare patches left by dead weeds.

We have a great range of products to help you create your perfect garden and you can choose the 'click and collect' option and pick up from your local store.
