Description

Doff Bonemeal Natural Slow Release Fertiliser 2kg

Doff Bonemeal is a slow-release plant food designed to support healthy growth and strong root development.

Ideal for use around plant stems, it helps establish trees and shrubs, ensuring they get off to a great start.

This versatile 2kg value box contains an easy-to-use dry fertilizer that can be sprinkled by hand around shrubs and bushes, then watered in for effective feeding.

Suitable for a wide range of plants, including root crops, peas, beans, sweet peas, dahlias, peonies, gladioli, and deciduous shrubs.

The perfect choice for keeping your plants in top condition this season.
