Aspen 2 Alkylate Fuel for Land Based 2-Stroke Engines (5 Litres)

HV-ASPEN

Our Price: £24.5

Description

Aspen 2 Alkylate Fuel for Land Based 2-Stroke Engines (5 Litres)

Suitable for Chainsaws, Clearing Saws, Hedge Trimmers, Power Cutters and other land-based 2-stroke engines.

Developed & formulated by Aspen, Aspen 2 is alkylate petrol premixed at 50:1 with a premium quality biodegradable 2-stroke oil to help keep the spark plugs and combustion chamber of your machine cleaner.

Contains no ethanol, meaning it can be stored for a long time without any deterioration in quality making your engine easy to start, even after long standstill periods.

Boasts numerous environmental benefits, such as reducing the formation of ground-level ozone (smog) by about 40%.

The oil in Aspen 2 has been carefully selected and developed for the future giving an extremely clean engine with optimum lubrication characteristics at all engine temperatures.

It is fully synthetic with as much as 60% renewable content. It is also biodegradable and free from ash and solvents.

Aspen 2 is virtually free from harmful substances such as benzene, aromatic hydrocarbons or olefins; substances that can cause serious health problems.

** As every machine is different, we highly recommend to follow advice as per your user manual for your specific engine.

For 4-stroke engines such as Lawnmowers, Rotary Cultivators, Snow Blowers & Boats, use ASPEN 4.
