Our Price: £44.99

Bedec Multi Surface Paint (MSP) 2.5 Litre Soft Satin

42-14413P

Description

Bedec Multi Surface Paint (MSP) 2.5 Litre Soft Satin

MSP is a proven, water-based paint that resists flaking or peeling because of its outstanding flexibility.

It will go over most other paints and varnishes including weathered Tar Varnish, Bitumen and Creosote.

It can be used directly onto plastic, wood, metal (including radiators), plastic coated steel, cladding, brick, masonry, fibreglass, terracotta, stone, plaster, MDF, tiles, melamine, plastics, UPVC, galvanised steel, aluminium, copper and much much more!

Coverage is 12-14 sq. metres per litre. Depending on conditions, drying time between 2-4 hours.

Satin finish. Red Cossack, Soft Stone & Anthracite. Gold & Anthracite available in 750ml.

Soft Gloss also available in a range of colours.

Apply by brush, roller, conventional H.V.L.P or airless spray.

Not suitable for areas under constant water contact, such as shower cubicles or areas of high traffic such as worktops and hand rails.

Substrates which have had water-repellent preservative treatments applied should be avoided because adhesion could be compromised. MSP can be used on glass internally but not

We have a great range of products to help you keep your Home & Garden in year round tip top condition so why not browse further [here](#) and 'click and collect' from your local Country store.
