Description

Honda HHC36 BXB Cordless Chainsaw

HD-HHC36BXB

CUTTING EDGE POWER, WITH EFFORTLESS PRECISION

The all-new Honda Cordless Chainsaw has an ergonomic design making it easy to use, providing a greater balance and a 1.6KW output for powerful performance. You can efficiently cut firewood, slice through both hardwood and softwood, trim medium-sized branches, and even fell small trees, all while enjoying the benefits of low noise and high-quality performance. With an ideal power to weight ratio, our chainsaw is great for home users and makes it easier to cut through wood.

The Honda Cordless Chainsaw features a powerful motor with automatic speed control which adapts rpm and torque to optimise the performance depending on the hardness of the wood. Tool-less chain tensioning facilitates maintenance. Brushless motor technology maximises runtime and motor lifetime.

Automatic speed control

The chainsaw adapts rpm and torque in accordance with the hardness of the wood.

Easy maintenance

Equipped with tool-less chain tensioning and automatic oiling of the chain.

Quality Cutting

The Honda Cordless Chainsaw comes equipped with the renowned quality of Oregon's chain, AdvanceCut™ 90PX. This low-profile chain provides high efficiency and safety, whilst still delivering powerful and uncompromised cutting performance.

1.6KW brushless motor

Delivers exceptional power and longer run time.

User safety

Fast 0.12 second kickback break for safe operation and a lock-off trigger switch.

Operating off the Universal Battery System, you can choose to use the 2, 4, or 6Ah battery, which can be charged by the fast 8Ah charger.

*Battery and charger not included

- > Run time with 2Ah battery: 35 mins (no load)* – charge time 2Ah battery 25mins
- > Run time with 4Ah battery: 75 mins (no load)* – charge time 4Ah battery 35 mins
- > Run time with 6Ah battery: 115 mins (no load)* – charge time 6Ah battery 55 mins

* Indicative figures only. Varies depending on conditions.
