Muck Boot Colt Ryder Tall Riding Boots Black

Protecting riders from unpleasant weather and a huge favourite whether on the ground or in the saddle, these Colt Ryder boots will keep your lower leg warm & dry.

Equipped with a steel shank for structural support & moulded outsole for traction, the heel is stirrup friendly and safe for riding, once the horsey chores are done.

The taller stretch top-line keeps cold out, while the air mesh liner with 5mm neoprene ensures air circulation on warmer days.

As well as great weather protection, these tall riding boots pull comfortably over the calf and offer great coverage when mounted.

Available Sizes: 4 - 8. For half sizes Muck Boot recommend ordering a size up.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
