Joules Kenley Showerproof Padded Coat Navy

Stylish and practical, the Kenley coat is the perfect addition to your winter wardrobe.

Its showerproof outer keeps you dry during light rain, while the wadding-filled baffles provide essential warmth when the temperature drops.

Designed to fit and flatter, the coat features a blend of chevron and horizontal baffles, with smaller baffles at the waist for a cinched silhouette.

Additional details include a zip fastening, a cosy hood for extra coverage, and two discreet side pockets with invisible zips.

Finished with Joules branding on the cuff and under the hood, along with elegant binding trims, this coat effortlessly combines functionality with timeless style.

Whether an early morning dog walk, a leisurely wander around town, or cheering on the rugby at the weekend, the perfect choice for unpredictable days.

UK Sizes: 8 - 18.

Machine washable.
