Description

Zamberlan Wald GTX RR Chainsaw Boots Black

The 5014 WALD GTX RR boots are perfect for forestry, woodland, and industrial professionals. With anti-perforation, antistatic construction, a crush-resistant aluminium toe cap, and an integrated RECCO® reflector for emergency safety, these boots deliver exceptional protection.

Lightweight and flexible, they feature an ankle hinge design and abrasion-resistant Superfabric® gusset and collar. The waterproof Perwanger® leather upper with Hydrobloc and a two-layer aramid lining offer chainsaw cut protection up to 24 m/s, while the GORE-TEX lining keeps feet dry and comfortable, long into the day.

Certified to EN ISO 20345:2022 S7S and EN ISO 17249:2013 + AC:2014, and equipped with a Vibram® Schwarzwald outsole for superior traction, these boots provide maximum safety, durability, and comfort in challenging conditions.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Size range: 7 - 11. Weight: 1000gms per boot.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
