## Description

### Spear & Jackson Razorssharp Pro Heavy Duty Bypass Secateurs

The ultimate choice for professional gardeners and landscapers seeking superior performance and durability.

Crafted with drop-forged carbon steel interchangeable blades, these secateurs ensure precision cutting and long-lasting sharpness.

The adjustable tensioning allows for a customised cutting experience, while the robust forged aluminium handles provide unmatched strength.

With the added comfort of rubber shock absorbers, this range is designed to minimise strain during extended use.

Elevate your gardening tools today with Razorssharp PRO – trusted by professionals for exceptional results.

Maximum Cut: 20mm (3/4")

We have a great range of products to help you create your perfect outdoor space, so why not browse our huge [Garden Collection](#) today.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
