## Description

### Spear & Jackson Razorsharp Pro Short Blade Bypass Secateurs

The Razorsharp PRO range of secateurs is crafted to meet the highest standards of professional gardeners and landscapers.

Featuring drop-forged carbon steel interchangeable blades, adjustable tensioning, durable forged aluminium handles, and rubber shock absorbers, these secateurs offer exceptional precision, strength, and comfort.

Designed for those who demand reliability and performance, the Razorsharp PRO range ensures every cut is effortless and precise.

Maximum Cut: 20mm (3/4").

We have a great range of products to help you create your perfect outdoor space, so why not browse our huge **Garden Collection** today.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
