Amblers AS257 S1P SRC Safety Lace-Up Boot Navy

This trendy and lightweight safety hiker is crafted with a suede leather and breathable mesh upper, ensuring durability and comfort.

Featuring a steel toe cap, steel midsole, and dual-density PU outsole, it provides reliable protection for demanding environments.

Designed for all-day wear, it includes a padded tongue and collar, a removable EVA footbed, and a raised heel for enhanced stability and energy absorption.

A moulded PU scuff cap adds durability, ideal for tasks requiring knee work, while the rubber heel stabiliser and dynamic injected PU midsole offer increased support.

The cleated outsole delivers exceptional grip in varied conditions, with ladder grip lines for added security when working at heights.

UK Sizes: 7-12.

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
