Description

The **Weibang Virtue Homeline 46P** is a high-performance petrol lawnmower, designed for homeowners who value reliability and efficiency in lawn care. As part of the renowned **Virtue Homeline Series**, it delivers outstanding cutting, collecting, and mulching performance.

Powered by a dependable **139cc Weibang X140 OHV engine** with primer start, this mower provides consistent power to handle various grass conditions with ease. Built for durability, it ensures long-lasting performance for maintaining a pristine lawn.

For user comfort, the **adjustable handles** offer three height positions, complemented by a **foam grip and flush levers** for smooth, fatigue-free operation.

A **central height adjustment system**, supported by a heavy-duty spring, allows quick switching between **eight cutting heights (20mm to 70mm)** using a single lever—ideal for both manicured lawns and overgrown areas.

Equipped with a **hybrid rotary blade** and **mulching plug**, this mower efficiently cuts, collects, and mulches. The **55-litre fabric grass collector** features an **airflow indicator** and auto-locates into the handle structure for hassle-free operation and easy rear discharge when needed.

Designed for convenience, the **Virtue Homeline 46P assembles in just three minutes** with only four handle bolts, making it ready for action straight out of the box.

Key Features:

- **Engine:** Powered by a reliable 139cc Weibang X140 four-stroke, air-cooled, OHV engine with primer and recoil start, delivering consistent performance across various grass conditions.
- **Cutting Deck:** Equipped with a robust 46cm (18") steel cutter deck and a hybrid rotary blade, it excels in cutting, collecting, and mulching.
- **3-in-1 Functionality:** Offers mowing, collecting, and mulching options. The included mulch plug fits easily into the rear discharge chute, finely chopping clippings to return nutrients to your lawn.
- **Cutting Height Adjustment:** Features a central, spring-assisted single lever allowing for eight cutting height positions ranging from 20mm to 70mm, accommodating both formal lawns and overgrown areas.
- **Grass Collector:** Comes with a 55-litre fabric grass bag featuring airflow indicators to signal when it's full. The collector auto-locates into the handle structure for effortless attachment and removal.
- **Handle Design:** Strong handles adjustable across three heights to suit the operator, with a comfortable foam grip and flush levers for smooth operation.
- **Quick Assembly:** Designed for quick setup, requiring only the fitting of four handle bolts, making it ready to use in just three minutes.

Attributes
