## Description

### Harkila Pro Hunter Lightweight Mid GTX Boots Shadow Brown

Weighing just 730g per boot, the Pro Hunter Light Mid GTX offers exceptional comfort for long treks without sacrificing durability.

Designed with an 8" (20 cm) shaft and a standard-width last, it provides the perfect balance of support and flexibility.

The boots feature a waterproof GORE-TEX Sierra membrane, rigorously tested to ensure dry feet in all conditions.

Crafted from durable, quick-drying Cordura, the upper requires minimal maintenance, while the semi-stiff Vibram® Aftersky sole delivers superior grip on rugged terrain.

A shock-absorbing midsole enhances comfort over long distances, and full-length reinforcement rands with reinforced stitching provide extra durability in harsh conditions.

Shoe Sizes: 43 - 45.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
