Description

Buckler Buckzviz Hi-Vis Composite Safety Lace Boot Black-Yellow

Designed for high visibility and durability, Buckzviz Hi-Vis Safety Boots combine EN-certified fluorescent waterproof Cordura® and cowhide leather with reflective piping, ensuring visibility in daylight, low light, or total darkness.

For enhanced support, the extended TPU heel counter provides stability, while the tapered padded collar and drop-back design offer flexibility and all-day comfort.

Built for long-lasting performance, these boots feature abrasion-resistant microfibre in key wear areas, ensuring toughness inside and out.

The maximum-rated slip-resistant rubber sole delivers superior grip, while the tough PU scuff cap protects against wear in high-impact zones.

Suggested Sector use: Construction, Trades, Warehouse, Logistics & Utilities.

UK Shoe Sizes: 6 - 12.

Also available

We are able to offer zero rate VAT on safety boots purchased by an individual for his/her own use. Please use voucher code novat when you check out.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
