Joules Holkham Waterproof Packaway Raincoat Flower Geo

Combining practicality with style, the Holkham Jacket is designed for unpredictable weather. Packing neatly into its hidden back pocket, it's easy to stash away until needed.

Crafted from lightweight yet durable waterproof fabric with taped seams, it offers full protection against the elements. A mesh-lined upper enhances breathability, keeping you cool and comfortable on rainy walks.

Thoughtful details such as high-shine poppers, toggles, and a sturdy zip reflect its quality, while the adjustable internal waist ensures a flattering fit.

Whether you're tackling coastal winds, countryside strolls, or market dashes, the Holkham is the perfect travel companion.
