Our Price: £50

Description

Joules Deuce Cable Knit Cotton Vest Cream

Blending sporting influence with the revival of knitted tanks, the Deuce is a versatile wardrobe essential.

Its sleeveless design allows for year-round styling—wear alone in warmer months or layer over collared shirts and blouses when it's cooler.

Crafted from durable cotton, it features a cable knit front combined with moss stitch detailing for added texture.

The deep V-neck with striped ribbed trim, contrasting ribbed armholes, and a ribbed hem create a polished yet relaxed look.

Finished with Joules branded embroidery at the hem, this is a piece that earns serious style points.

UK Sizes: Small - X Large.

Care & Fabric: 100% Cotton. Machine washable.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
