Description

Outback Portable Gas Heater Black

Stay warm on your outdoor adventures with the Outback Camping Heater – a compact, portable gas heater delivering 1.2kW of high-performance heat for up to 2.5 hours.

Weighing just 1.5kg with a carry handle, it's ideal for camping, caravanning, fishing, or any outdoor activity where instant heat is a must. Safety comes built-in, with an oxygen depletion sensor and tilt cut-off switch for peace of mind. The durable ceramic burner ensures reliable, consistent warmth, while four sturdy legs keep the heater raised off the ground for safe use.

Simple to operate and effortless to transport, it's your reliable companion when the temperature drops.
