Our Price: £7

Description

Chrome Mega Clean General Purpose Cleaner 500ml

Mega Clean is a strong general purpose cleaner with a sweet lemon meringue fragrance for the removal of built in grime on both the interior and the exterior of the vehicle.

Easily removes oil, grease and nicotine from plastics and vehicle head linings etc. It is great on UPVC frames and can also be used as a pre spray or through a pressure washer system.

Keep away from leather and polished metal surfaces. Simply spray onto surface to be cleaned and allow to dwell but not dry then wipe away the dirt.

Concentrated version available in 5L which can be diluted from 4 parts up to 30 parts water.

Colour may fade but does not affect the strength of the product.

Always read full label before use.

It really is that simple, 'Spray, Wipe, Done!'

Always read full label before use.
