Super Fabric Cleaner is a safe, non-toxic and powerful solution for tackling carpet and upholstery stains.

Designed to lift dirt from all types of fabrics, it's highly effective on rugs, seats, floor coverings, and interior materials, removing not only stains but also unpleasant odours.

The included special atomiser produces a foam application, improving cleaning power on stubborn dirt and increasing product efficiency.

Use neat or dilute up to 1:30, depending on the level of soiling.

Just spray directly onto the area, agitate with a soft brush or damp cloth, then wipe and allow to dry.

Spray. Wipe. Done.

Always read full label before use.
