Description

Chrome Window & Glass Cleaner 500ml

Spray Glass Cleaner is a non-smear, fast-acting formula designed to remove dirt, grease, wax, and fingerprints from all types of glass surfaces with ease.

Ideal for windows, mirrors, and windscreens, it also works brilliantly on polished alloy or Durabrite wheels, adding a sparkling finish with minimal effort.

Simply spray from a distance of 6–12 inches, wipe with a clean dry cloth or towel, and enjoy streak-free clarity.

For small or delicate areas, apply to the cloth first.

Not suitable for aftermarket tints. Product colour may fade over time, but performance is unaffected.
