Description

Chrome Vanilla Charge Aerosol Air Freshener 500ml

Vanilla Charge is a highly perfumed odour neutraliser designed to deliver a warm, sweet vanilla fragrance that lingers for hours, effectively eliminating unwanted smells.

Its high-discharge valve and actuator system allow it to freshen large areas quickly and efficiently

Ideal for workshops, offices, homes, and vehicles.

Due to the strength of the spray, we recommend applying a small amount and leaving the area briefly to allow the fragrance to disperse and mellow naturally.
