Description

Stanley Adventure Stacking Tumbler 0.47L Hot Coral

Built for life outdoors, the Stanley Adventure Stacking Tumbler is a tough, vacuum-insulated pint that won't break, shatter or rust—ideal for any adventure.

With a 470ml (1 pint) capacity, it keeps beer or soft drinks cold for up to 4 hours and hot drinks warm for up to 45 minutes.

Perfect for camping, hiking, picnics, or travel, it even handles soup and Glühwein with ease.

When the fun's over, the tumblers stack neatly for space-saving storage—whether in your camping gear or kitchen cupboard.
