## Stanley Adventure Fast Flow Jug | 7.5L Rose Quartz

Perfect for job sites, campsites, and sports fields, the Stanley Adventure Fast Flow Water Jug is built for group hydration wherever life takes you.

With double-wall foam insulation, it keeps drinks ice-cold for 13 hours—and can even keep ice for up to 2 days.

The rugged handle and leak-proof design make transport effortless, while the high-flow spigot ensures quick, easy pouring and removes easily for cleaning.

Durable, reliable, and designed for heavy use—this is hydration on a larger scale.

Dimensions: 11.69 x 11.69 x 13.5 in.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
