## Description

### Hozelock Yellow Ultraflex Anti Kink Hose 50m

Experience hassle-free watering with a hose designed for performance, durability, and ease of use in all conditions.

Featuring weatherproof construction with UV and frost protection, this hose is built to perform in temperatures ranging from -15°C to 60°C, making it a reliable choice year-round.

The innovative Foamed Soft & Flex™ technology ensures the hose maintains its structure during use, while the knitted anti-twist technology prevents twisting under pressure, delivering a continuous and uninterrupted flow of water.

Designed with superb kink resistance, Soft & Flex also gives the hose a light, flexible feel, allowing you to move it around the garden effortlessly whilst a smooth inner layer enhances water flow for efficient performance every time.

Made from 70% recycled PVC.
