

Bosch AHS 50-20 LI Cordless hedge cutter

BO-HT50-20LI

Our Price: £140

Description

The hedgecutter AHS 50-20 LI provides cordless mobility with maximum power. The combination of 500 mm blade length, 20 mm tooth opening and the electronic “Anti-Blocking System” for continuous cutting ensures you’ve got the right garden tool to get the job done. Thanks to the intelligent Bosch Syneon Chip the battery delivers more runtime so that even complex projects are easy to handle. The innovative Quick-Cut Technology ensures that twigs and branches are cut first time round – enabling a quick and efficient hedge cutting.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
