Our Price: £11.99

Description

Mr Fothergill's Plantable Pellets Self-Watering Mini Greenhouse Kit (35 Plants)

Kickstart your growing journey with this easy-to-use seed starter kit, ideal for small to medium-sized seeds.

The kit includes eco-friendly, peat-free coconut fibre pellets, offering a sustainable solution to sowing success.

Simply add water, sow your seeds, and watch them thrive.

Suitable for growing up to 35 plants.

This is perfect for windowsills, greenhouses, or beginner gardeners looking to grow with confidence.

Includes a clear humidity lid to help seedlings grow.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
