Our Price: £10

Description

Mr Fothergill's Plantable Pellets Mini Greenhouse Kit (36 Plants)

Start your growing journey the eco-friendly way with the Mr Fothergill's 36 Plantable Pellets Greenhouse Kit— an easy-to-use solution for germinating vegetables, herbs, and flowers indoors.

The kit includes eco-friendly, peat-free coconut fibre pellets, offering a sustainable solution to sowing success.

Simply add water, sow your seeds, and watch them thrive - no extra soil or pots required.

Suitable for growing up to 36 plants.

This is perfect for windowsills, greenhouses, or beginner gardeners looking to grow with confidence.

Includes a clear humidity lid to help seedlings grow.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
