Description

Mr Fothergill's Plantable Pots Mini Greenhouse Kit Refills (32 Plants)

Keep your growing season going strong with the Plantable Pots Greenhouse Kit Refills – the ideal eco-conscious solution for nurturing up to 32 healthy plants.

Designed to replenish your original Plantable Pots Greenhouse Kit, this set includes 32 biodegradable pots made from natural materials that promote strong root growth and eliminate transplant shock.

Simply sow your seeds, grow your plants, and pop the entire pot into the soil when ready—no mess, no waste.

A perfect choice for gardeners looking to reduce plastic use and grow sustainably, these refills are suitable for vegetables, herbs, and flowers alike.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
