Description

Husqvarna Aspire™ Battery Pruning Saw – Versatile & Compact

Effortlessly prune branches with the Husqvarna Aspire™ Battery Pruning Saw, designed for use with or without an extension pole. The adjustable pole extends up to 1.7m, making it easy to reach higher branches. Built with Husqvarna's renowned chainsaw expertise, it delivers robust performance, cutting through branches up to 75mm wide with ease.

Featuring a soft grip handle for comfortable use, this pruning saw allows for tool-free chain and bar replacement and includes an automatic shutdown for enhanced safety when left unattended. For convenience, a storage hook is included, keeping your workspace organised.

Part of the 18V POWER FOR ALL battery system, this saw is compatible with a range of other tools from participating brands—so you only need one battery for multiple home and garden tools.

The Husqvarna Aspire™ range is designed for space-saving storage, featuring a dedicated hook that mounts directly to the wall or integrates seamlessly with the Husqvarna Aspire™ Storage Rail system. Expand your tool storage by combining it with other Aspire™ gardening tools.

Key features:

- Cuts branches up to 75mm wide
- Soft grip handle for comfort and control
- Tool-free chain and bar replacement
- Automatic shutdown for added safety
- Compact storage with included hook
- Compatible with POWER FOR ALL batteries

Simplify your pruning with the Husqvarna Aspire™ Battery Pruning Saw – efficient, safe, and easy to store.
