

Spear & Jackson Bypass Secateurs & Leather Holster Set

41-99305

Our Price: £26

Description

Spear & Jackson Bypass Secateurs & Leather Holster Set

A premium set containing a pair of Razorsharp Bypass secateurs with a handy real leather carry holster for keeping close to hand in the garden.

Features include forged aluminium handles, SK5 carbon steel blades for lasting sharpness and shock absorbing rubber grips for added comfort.

Integrated into the design for easier working is a sap groove and riveted lower blade providing a good snip plus built in notched blade ideal for handling thicker stems.

We have a great range of products to help you create your perfect outdoor space, so why not browse our huge **Garden Collection** today.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
