Stihl MS211 Petrol Chainsaw

SH-11392000248

Description

Stihl MS211 Petrol Chainsaw

Advanced engine technology and a value price are just some of the things the Stihl MS211 petrol chainsaw has to offer. Powered by a low-emission engine, this chainsaw features a pre-separation air filtration system— extending the cleaning life of the air filter so you have less maintenance. With low vibrations, good cutting speed and plenty of power, this STIHL chainsaw is just the thing when it's time to get the job done.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
