Description

STIHL MS 231 C-BE Petrol Chainsaw 16"

Powerful and easy-handling chainsaw for domestic users and small-scale felling tasks

The STIHL MS 231 C-BE is a compact yet robust petrol chainsaw, perfect for general grounds maintenance, firewood cutting, and felling small trees. Designed for users who need a bit more power without compromising on control, it boasts an excellent power-to-weight ratio for efficient handling.

Equipped with STIHL's innovative **2-MIX engine technology**, it offers up to **20% lower fuel consumption** and **up to 70% fewer emissions** compared to standard two-stroke engines without this feature. This model also comes with **STIHL ErgoStart** for effortless starting and **Quick Chain Tensioning (B)** for tool-free chain adjustment – ideal for ease of use and safety.

Extended Domestic Warranty Offer

Extend your STIHL domestic warranty from **2 to 3 years** when you purchase **5 litres of STIHL MotoMix® fuel** alongside this product. We will register your extended warranty at the point of purchase.

Important Safety Information

Chainsaws can be dangerous if used improperly. Instruction in safe operation is essential, and we strongly recommend wearing full protective clothing and equipment.

For first-time users or if you're unsure about handling a chainsaw, we advise using our **Click & Collect** service and collecting your order from an Ernest Doe Branch, where proper advice and handover can be given.
