

# Private: Stihl MS362 C-M Petrol Chainsaw – 18?

SH-11402000490

Our Price: £1199

## Description

### MS 362 C-M PETROL CHAINSAW: HIGH-PERFORMANCE 3.5KW PROFESSIONAL CHAINSAW

Robust and powerful, everyday forestry chainsaw, designed and built for the professional.

Ideal for long sawing sessions harvesting wood. With 2-MIX engine and M-Tronic technology. The electronic self-tuning engine management system means that the fuel supply is electronically controlled and the machine automatically adapts to operating and ambient conditions, ensuring optimal engine performance every time. The memory function remembers previous operating conditions and allows you to restart quickly after an extended break.

With easy-clean HD2 filter, controlled-delivery oil pump and practical features such as a stainless steel muffler, captive nuts on the sprocket cover and monocoque cover with three quick release fasteners. The 2-MIX technology in the innovative STIHL MS 362 C-M ensures up to 20% less fuel consumption and up to 50% emissions reduction compared to the same power STIHL two-stroke engines without 2-MIX technology.

## Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
