Description

Barbour Readhead Tan Boots

Based on a classic Chukka boot being ankle-high, the Readhead is open laced with two pairs of eyelets and a rubber sole.

What makes these stand out and warrant the quality of your footwear is a buffed finished for that authentic worn-in look, traditional tartan lining and of course Barbours' renowned signature detailing.

Now with super comfy memory foam insoles, these really are your go-anywhere boot and equally equipped to sit at either the front or back door.
