Description

Honda HRX476HY Variable Speed petrol lawn mower

HD-HRX476HY

Honda HRX476HY Petrol

Advanced technology for your lawn

These latest Euro 5-compliant four-stroke engines provide class-leading power and torque, with improved fuel efficiency and easy starting even after winter storage. The reduction in parts and the engine redesign has this lawnmower up to 2kg lighter than its predecessor. These changes have resulted in increased power, fuel efficiency, reliability and manoeuvrability.

PRODUCT OVERVIEW:

- **Cutter Deck Size:** 19" / 47cm
- **Garden Size:** Medium - Suitable for lawns up to 1,200m² (1-2 tennis courts)
- **Deck Type:** Polystrong - This deck type is made of very strong, durable polymer materials, which are highly resistant to UV, corrosion and dents
- **Transmission:** Variable Hydrostatic Drive - This lawnmower's speed is adjusted by a lever on the upper handle and gives you smooth, stepless speed control
- **Rear Roller:** Not available
- **Rotostop:** Yes - On this model you are able to stop the blades but leave the engine running
- **Mulching:** Versamow Variable - You can choose whether you want to collect the grass cuttings into the bag, finely shred them onto the lawn or a combination of both
- **Electric Start:** Not available

We are an authorised **Honda** dealer and can provide full service back up and maintenance for your Honda equipment.
