Stihl Carbon Shaft Extension

SH-BCKM-SHAFTCARBON

Our Price: £90

Description

Stihl Carbon Shaft Extension

The Stihl Carbon Shaft Extension is a 1 meter lightweight shaft extension for the STIHL KombiSystem, allows an extra meter reach with the KM-HT and KM-HL KombiTools. The Stihl carbon shaft extension is great for those who enjoy having the same high quality trimmed finish in harder to reach areas.

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
