

Atco GT 40H TWIN

MT-AORDGT40H

Our Price: £3779

Description

The GT 40H Twin is fitted with a 656cc Briggs & Stratton Intek 7220 V-Twin twin cylinder engine.

This tractor also features a twin blade "timed" cutter deck. The blades contra rotate and overlap each other; this provides an excellent finish even with such a wide cut. This arrangement also creates a very powerful collection system. Clippings are blown through the rear discharge outlet into a large 300 litre capacity collector which also features a buzzer to alert the driver when it is full.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
