

ICL Landscaper Pro Spring & Summer 15kg

31-40081

Our Price: £34.98

Description

ICL Landscaper Pro Spring & Summer 15kg

A premium quality, control release lawn fertiliser; perfectly suited for spring & summer or just summer application.

The product is formulated to give a strong immediate response, combined with up to 3 months longevity.

Contains Polyhalite – a new, naturally occurring mineral fertilizer mined in the UK and uses the same proven technology tried and trusted by high profile groundsmen and green keepers alike.

Application rate: 25 – 35g/m².

Pack Coverage: 600m² - .430m².

For an even, all round spread pattern, we thoroughly recommend the ICL AccuPro One Rotary Fertilizer & Spreader.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
