Description

Husqvarna LB553S Petrol Lawn Mower

The LB 553S is a reliable, robust BioClip® machine, designed for tough, professional use. The design has focussed on achieving the best possible ergonomic conditions for the operator, and good cutting results, even in wet weather. The handle and the steering mechanism are effectively vibration dampened and the central cutting height adjustment is spring loaded to make adjustment as easy as possible. The LB 553S is self propelling, with front-wheel drive for optimal handling. Light-weight wheels of aluminium, with double ball bearings and rubber tyres.
